

## M12 MALE CONNECTOR FOR SENSOR

### TECHNICAL DETAILS

|                          |                                      |
|--------------------------|--------------------------------------|
| 1. Operating Voltage:    | 10..... 30 V D.C. / 240 V A.C./ D.C. |
| 2. Number of Poles       | 4                                    |
| 3. Operating Current     | 2A                                   |
| 4. Protection Class      | IP68                                 |
| 5. Temperature Range     | -25° C to +90° C                     |
| 6. Plug Body Colour      | Grey                                 |
| 7. Body Material         | Poly Carbonate / Nylon               |
| 8. Contact Material      | Cu Zn / Sn (Gold Plated)             |
| 9. Contact Resistance    | < 5 m ohm                            |
| 10. Isolation Resistance | 10 M ohm                             |

### ORDERING CODE:

| PART NO.:      | TYPE                      |
|----------------|---------------------------|
| PSCNMR12ST04XX | M12 Male Connector 4 Pole |
